

Introduced by Senator Price

February 15, 2013

An act to amend Sections 5810, 7200, and 7303 of the Business and Professions Code, relating to professions and vocations.

LEGISLATIVE COUNSEL'S DIGEST

SB 308, as introduced, Price. Professions and vocations.

Existing law authorizes a certified interior designer, as defined, to obtain a stamp that uniquely identifies the designer and certifies that he or she meets certain qualifications and requires the use of that stamp on all drawings and documents submitted to any governmental agency by the designer. Existing law makes it an unfair business practice for any certified interior designer or any other person to represent that he or she is state certified to practice interior design. Existing law provides that these provisions are repealed on January 1, 2014, and shall be subject to review by the Joint Committee on Boards, Commissions, and Consumer Protection, which has been abolished.

This bill would instead repeal those provisions on January 1, 2018, and would make them subject to review by the appropriate policy committees of the Legislature.

Existing law provides for the licensure and regulation of various businesses and professions by boards within the Department of Consumer Affairs, including the State Board of Guide Dogs for the Blind. Existing law requires that the board consist of certain members. Existing law repeals these provisions on January 1, 2014.

This bill would extend the operation of these provisions until January 1, 2018.

Existing law provides for the licensure and regulation of barbering and cosmetology by the State Board of Barbering and Cosmetology

and authorizes the board to appoint an executive officer. Under existing law, these provisions are repealed on January 1, 2014.

This bill would instead repeal these provisions on January 1, 2018, and specify that the board would be subject to review by the appropriate policy committees of the Legislature upon repeal.
